

Personal Information	
Islam Said Ramadan	6 October – Egypt (+20) 114 07 69 862 islamaaid2018@gmail.com 13-11-1990 Male Single Military Status: Exemption
Career Objective	
	Targeting an outstanding opportunity the computer science academic teaching field. My career advancement is basically depending on establishing a well based experience in the delivery of information in the field of computer science.
Career Experience	
	<p>Teaching Assistant Faculty of Information Technology Misr University for Science & Technology (MUST) Feb 2015 until now.</p> <p>Experience in teaching :</p> <ul style="list-style-type: none"> ➤ Introduction to computer programming -C++ ➤ ICDL/ECDL ➤ Computer architecture ➤ Parallel processing -Create multi tasks execute at the same time using thread in java. ➤ Structured programming -Problem solving, simple data types and control statements. ➤ Operating System -Process management (basic concept, scheduling, algorithms and algorithms evaluation) ➤ Data Communication and Network -Communication model, OSI and TCP/IP protocol, use wireshark application to capture network packets and display that packet data.

	<ul style="list-style-type: none"> ➤ Object oriented programming <ul style="list-style-type: none"> -Object oriented programming principles (Encapsulation, Inheritance and Polymorphism), difference between overloading and overriding using Java. ➤ Linear Algebra <ul style="list-style-type: none"> -Mathematical operation on matrices and vectors.
Education	
	<p>Master's Degree (Computer Sciences) (Underdoing) Faculty of Computers and Information Menoufia University Egypt.</p> <p>Bachelor's Degree (Computer Sciences) Faculty of Computers and Information Menoufia University Egypt. Grade: Very Good With Honor's. Year of Graduation: 2012.</p>
Graduation Project	
	<p>Project Name: 911 Emergency Call System</p> <p>Project overview In Egypt there are a lot of accidents that occur every day with multiplicity of emergency numbers. Our Project help any person in any accident only call 911 and system will Contact with him until help. Project grade: Excellent.</p> <p>Used Technologies Android, GPS, Flex frame work and Hibernate.</p>
Courses	
	<p>Java programming language Ministry of Communication & Information Technology Scholarship From: 17 Nov 2013 To: 5 June 2014</p> <p>SQL Database Online Course.</p> <p>English Conversation at AXON training center. From: 19 Jan 2013 To:15 June 2013</p>

Certificates	
	<p>Oracle Certified Associate, Java SE 7 Programmer (OCA).</p> <p>Oracle Certified Professional, Java SE 7 Programmer (OCP).</p> <p>International Computer Driving License Syllabus Version 4.0 (ICDL).</p>
Areas of Strength	
	<p>Soft and Academic Skills:</p> <p>Ability to teach with easy techniques.</p> <p>Having ability to learn new technologies and sciences.</p> <p>Academic Research.</p> <p>Presentation Skills.</p> <p>Class Management.</p> <p>Dealing with different kinds of people.</p> <p>Highly Communications and Presentation Skills.</p> <p>Self-Motivated.</p> <p>Problem Solving.</p> <p>Ability to work in a group or individually according to the job requirements.</p> <p>Ability to work under pressure.</p> <p>Prioritizing and managing several open cases at one time.</p> <p>Working continuously on a task until completion.</p> <p>Technical skills:</p> <p>C , Java and C++ Programming Languages</p> <p>Android</p> <p>PHP</p> <p>JavaScript</p> <p>SQL</p> <p>Oracle</p> <p>HTML</p> <p>CSS</p>
Language Skills	
	<p>Arabic: Mother Tongue.</p> <p>English: Good (Spoken & Written).</p>
